Auction News: Auction #31 is a mixture of new and previously listed (unsold) lots. My expectation for future auctions is that previously unsold lots that are listed will be discounted on the next go-around, returned to their owners or donated to the club. Owners will be contacted before any such action is taken. Discounted lots will be identified as such in future auctions. Publication deadline for the next possible auction (July/August Circuit) will be in mid-May. Please submit any new lots before that date.
