

# ISWSC MAIL BID SALE #47

## Closing January 31, 2012

**H**ello! I am back from my travels (9,000 miles this summer). The highlight was the APS show in Columbus, Ohio in August. I am writing this in October and you will probably not see this until the snow is falling. There are 274(!) lots in this sale (these things have a way of growing). There are many USA lots, including some interesting back of book, even a "Thousand Dollar" stamp (lot 41). Look for several duck stamps, mint postal cards, a Confederate States #12 and a considerable group of United Nations. There is a Tasmania #11 with APS Certificate, classic Canada and Newfoundland. Check out the club owned Israel Scott album with stamps, a stock book of Japan and a Lebanon collection. There are plenty of no minimum bid (NMB) club owned lots to bid on wisely – don't let the NMB fool you as to real value. There's a mystery cigar box, a Gibbons Stamp Color Key, a Classic Scott 2011 catalog and some paper currency. Finally, 25 "Bargain Bin" lots with most minimum bids slashed by 50%! Some real bargains there. There's a lot to interest almost anyone! Thank you for your continued support. ~Mike Crump, Mail Bid Sale Manager
