

# Mail Bid Sale 102

## Smokey Stover, Manager

Sale 102 is a little smaller than recent sales, but there is much to check out. Besides the usual standbys, there are several “dead” countries, including **Alexandretta**, **Castellorizo**, **Saseno**, and the **Turks Islands**. Check out the nice mint French Polynesia. We are continuing to get great “sorter” lots of quality worldwide material as well. In the Bargain Bin, there is extensive **German**, **British** and **Italian** material and several discounted worldwide lots.

*Smokey began collecting at the age of 6. Both of his parents had collected as children, and he ultimately acquired their collections. Medical school, residency, and medical practice severely limited his time, but he started actively collecting again in 1983. Since retiring from practice in July 2012, he has divided his time among stamp collecting, grandkids, and farming and gardening in Montana's beautiful Bitterroot Valley.*
