

MAIL BID SALE #63 ~ SOME NEW FEATURES!

Hello fellow collectors! You will find that this sale is dominated by a huge 250-lot "Bargain Bin." Because of the flurry the second half of 2014 the unsold lots from those sales accumulated prompting this "Spring Cleaning" sale. These lots are marked down, usually the unprecedented bargains. Be sure to check out the new section under Collections, Albums. All are with stamps as described. There's a U.S. Minuteman album, a U.N. Heritage album, a Lighthouse hingeless album for Italy collections (Lots 96 and 99) and a great Sudan collection (Lot 102). Too much to list but a hint of what y

AFRICA			
96	Benin and Dahomey challenge on Minkus pages. To make my life complicated a combined Benin, Dahomey and People's Republic of Benin collection has invaded my desk. We don't get a lot of African collections. I had to read up in Scott for a history lesson. This collection is truly an interesting excursion into little-known territory (for me). Benin, a French Colony, issued 45 stamps from 1892 to 1894. Here are 19 of those with a lot of good values. Dahomey, part of French West Africa, has some early issues, many of them here. In 1958 it became the Republic of Dahomey. There are 449 stamps plus 8 S/S here, many used or CTO, many MH. Then Dahomey declared itself the People's Republic of Benin in 1975. There are 142 stamps in this collection from 1975 to 1999. Are you still reading? This collection will keep you busy. It looks like collecting Africa will be a large and interesting undertaking. The collection has an estimated CV of \$780. A very reasonable price will get you a lot.		\$75.00
97	Eleven covers from Africa. First, 3 FD covers from Dakar, Senegal to France ; then 3 registered covers: French West Africa to Chicago , and 3 more (not registered); one French West Africa to Portland, Ore. , and one window envelope (destination unk.), airmail French West Africa . Have fun with these!		\$8.00

Approx Value \$60. Nice variety of stamps.		\$20.00
