

MAIL BID SALE #69 - LOTS OF NEW STUFF!

Mail Bid sale #69 features a number of high-end items. Chief among these is the post-war German offering, including a full set of mint posthorns (Lot 48); mint Italy; a number of early British surface-printed issues with plate positions, and an early Junior International album with loads of classics.

There are a number of recent Hong Kong MNH sets, and a lot of classic Iceland. Unusual items include Bosnia parcel post tags and Harry Potter issues, as well as Lithuania tete-beche pairs. There are no Bargain Basement items in this issue because of the transition from **Mike Crump** to me. Please note the two items that are listed as "best offer." *Normal bidding increments do not apply to these. If you win, your bid is the final price.*

If you have e-mail, I will be able to offer a "prices realized" file after each sale if you request it. I am sorry I can't offer hard copies as it is too time intensive. Enjoy bidding!

Smokey Stover, MBS manager
