

MAIL BID SALE #77 -

This sale is another big one with 533 lots. Pay particular attention to the extensive selection of France and again, many early French colonial stamps (Obock, Moheli, Madagascar, Polynesia and FSAT). There is also a nice lot of German offices and colonies. Don't miss all the Great Britain Victorias! There are a number of lots which offer an opportunity to acquire larger numbers of stamps at a lower percentage of CV. As a reminder, a lot of auctions end in a tie, so the first bid received wins the lot. Don't miss out! Bid early! And often!
