High bidder wins at one increment over second-highest bidder.

If there are tie bids, the earliest postmark wins.

If only one bid is received, lot goes at the minimum bid listed by the owner.

State the highest you are willing to pay. Your high bid will be used only if necessary.

No "buy" bids or requests for percentage increases will be accepted.

Returns of misdescribed or misidentified lots will be accepted. No returns on large lots or collections, etc.

The mail bid sale manager reserves the right to decline unreasonably low bids.

Lot information will be sent to successful bidders with an invoice. The invoice will include postage and insurance fees, if appropriate. Payment is expected within 10 days of the invoice date.

Lots totaling \$100 or more and shipped in one package will be insured. To request insurance on shipments totaling less than \$100, contact the mail bid sale manager. Lots will be shipped and billed by the mail bid sale manager and payment should be sent to the address on the invoice. Paypal can be used. If you use Paypal, put executivedirector@iswsc.org in the "pay to" blank. There will be an additional 10 percent fee to cover these transactions. PayPal users should notify the auction manager by e-mail when payment has been made. Credit cards are not accepted for payment.
