

Mail Bid Sale 95

Smokey Stover, Manager

Bidding closes August 15, 2020

Highlights in this sale include extensive France in both the Regular Sale and the Bargain Bin. There is also much early surface-printed British Queen Victoria material. Many smaller countries are represented also – notably Norfolk Island and Saar. For those who are in sorting mode, there are many worldwide offerings, organized by each country's first letter. These are generally under ten percent of CV and hold hidden treasures.

Smokey Stover began collecting stamps at the age of 6. Both of his parents had collected as children, and he ultimately acquired their collections. Medical school, residency, and medical practice severely limited his time, but he started actively collecting again in 1983. Since retiring from practice in July 2012, he has divided his time between stamp collecting, grandkids, and farming and gardening in Montana's beautiful Bitterroot Valley.
