

Mail Bid Sale 97

Smokey Stover, manager

The sale is slightly smaller this time, but it is still full of wonderful lots, starting with a nice variety of classic US. We have a complete country collection: Bosnia and Herzegovina under Austrian rule. Don't miss the classic surface-printed Victorians if you do plating. There are also a number of seldom-seen countries – Eritrea, Saar, Palau – and a number of worldwide selections, including topicals. As usual, the Bargain Bin has quite a few good values.
