

Mail Bid Sale 99

Smokey Stover, manager

Sale 99 is a little smaller than recent sales, but it has a number of highlights. There is a large selection of Great Britain surface-printed issues with identified plate positions. Lesser-seen countries include French Equatorial Africa, Gabon and Papua New Guinea. There are also several single lots from “dead” Middle Eastern countries, and they are always popular. Don’t miss the several Club lots throughout that are priced to sell. The Bargain Bin also includes many early British and several German States lots.
